WHAT IS THE FIRST THING I MUST DO?

Very Important!! You ***MUST*** file a Form ***DS-DE 9*** Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates with the Supervisor of Elections ***BEFORE*** you collect any money toward your candidacy, spend any money in furtherance of your candidacy, collect signatures to qualify by the petition process, or open a bank account. Within ten (10) days of filing this, you must also file Form ***DS-DE 84*** Statement of Candidate in which you affirm that you have been provided access to, read, and understand the requirements of Chapter 106, Florida Statutes, which covers campaign finance laws.

Once you have filed the above-mentioned form (DS-DE 9) with the Supervisor of Elections, let your campaign begin! Make sure you are well-educated on political disclaimers that must appear on signs, advertisements, mail outs, and other campaign items. Also make sure you complete all campaign finance reports completely, correctly, and in a timely manner. Late filing fees can be quite costly and must be paid out of your personal funds, not your campaign account.

CAMPAIGN FINANCE REPORT

Once you open your campaign account, you are required to file campaign finance reports with the Supervisor of Elections on or before the designated due dates. If you have no activity in your campaign account for a certain reporting period, you may file a waiver of report. The Jackson County Supervisor of Elections office requires that all campaign finance reports be filed electronically via the Supervisor of Elections website: www.jacksoncountysoe.org.

CAMPAIGN REPORT LATE FILING FEES

However, for reports immediately preceding the primary and general elections, the fine will be \$500 per day for each late day, again not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Such fine shall be paid to the filing office within 20 days after receipt of the notice of payment due, unless an appeal is made to the Florida Elections Commission pursuant to paragraph (c). All fines are to be paid out of the candidate's personal funds and not the campaign funds. These fines cannot be reported as campaign expenditures.
